

2021 Stocking Schedule for Pine Creek and North Park Lake

The general public will still not be allowed to help stock this year. The PFBC will allow personnel from clubs and other organizations that have traditionally help float stock and carry buckets in the past to help stock this year. **We've been asked to help stock this year. We need to submit a list of people at each stocking to the PFBC, so let me know the stockings you plan to attend. Masks and gloves are required to stock.**

On rare occasions stockings may be canceled due to weather, truck breakdown, etc. If we are asked to help and you are planning to attend the stocking and suspect there may be a cancellation, call me at 412-364-2436 for current information.

The complete state trout stocking schedule can be found on the PFBC website.

Stocking will begin early this year on February 15th.

Mentored Youth Day will be March 27th across the entire state. (2020 Voluntary Youth Fishing Licenses will be good for 2021).

Opening day of trout season will be April 3rd across the entire state.
