

Penn's Woods West Chapter of Trout Unlimited

Cold Water Conservation

- “Take care of the water, and the fish will take care of themselves”
- Trout Unlimited is the most effective cold-water fisheries conservation organization in the US.
- People join TU because we get things done on the ground, in statehouses and on Capitol Hill.

Penn's Wood West Chapter Activities

- Member meetings – Christ Church at Grove Farm, Mt. Nebo
- Trout in the Class Room – introduces kids to trout
- Group fly tying sessions – share your knowledge
- Stream restoration with Allison Park Sportsman's League
- Stream monitoring – collecting baseline data

- Mentor Program – personal support for new fly fishers
- Women's Outreach
- Web site: PWWTU.org
- Fly fishing outings

Free Fly Fishing Seminar

- Full day session with Rob Reeder and Scot Loughner, both PA certified guides and instructors.
- Small class size; hand's on learning

Trout in the Classroom

- Students grow trout from eggs in a classroom aquarium

- Then the kids plant the fry in a local stream

Women's Outreach

- Food, wine, companionship on the stream
- And fishing, too

Group Fly-tying sessions

- Learn from the pros - fussy but fun
- Nothing like catching fish on flies that you've tied

Stream Conservation Projects

- Pine Creek Project – allied with Allison Park Sportsman’s League
- Grown men playing with power tools in the mud

TU dues and donations

How to Join Trout Unlimited

- TU handles membership
- TU has low overhead
- Go to TU.ORG and sign up
- Give Penn’s Woods West (042) as your chapter

Local Chapter contacts:

- Chuck Buffington, President, Buffingtoncw@gmail.com
