 - Question is who owns this – get content to Joe, remember to give him exactly what we want
 - Website needs to be updated. Dale agreed to spearhead and asks the Board members to look at other TU websites.
 - Sections of the website I would like to see removed:
 - John Hayes articles - Why? The newest article is a year old.
 - Members who have passed - Again, why?
 - Outdoor Adventures - we no longer offer this.
 - Link to a 2018 Hatches & Rises newsletter - looks like we haven't had a newsletter in 7 years.
 - Link to Neshannock Chapter? Why that chapter?
 - Water Cycle Information link - what is that?
 - Laurel Highlands Trout Trail link doesn't work
 - PA Growing Greener Program link doesn't work
 - Allegheny Fly Tyers link that goes to the Facebook page which hasn't been updated since 2020. Is this group even a thing anymore?
- PWWTU Letters sent for donations on 12/26 Dwight Cobler (Redington fly rod for tyers) Craig (fly tying material and vise)

- Do we need to continue to meet as a board virtually? Could we discuss going back to in person for the board meetings? To discuss at year end before we close for summer, possibly a quarterly face to face.
- Would anyone be interested in ordering some PWWTU gear/ Simms fishing shirts, Hats, sun blocker shirts, etc. It's been about 10 years since we last did that. Let me know the interest level, and I can investigate this if interest necessitates action.
 - Dale is handling that. One time order of ~60 shirts to be reviewed
- Other – confirm schedule for
